ORDER

As per reference read 1 above, e Tender notification was published for inviting Expression of Interest from OEMs, authorised distributors of OEM, public sector institutions and Government Agencies for the supply / installation of off grid solar powered devices below 1 kW. Documents for Expression of Interest were submitted by eight agencies vide reference 2 read above. On scrutiny of all the pre-qualification criteria and certification for technical compliance of devices, five Agencies were qualified in the evaluation of technical bids as per reference 3 read above. The price bids submitted by these five Agencies were opened vide reference 4 read above.

The rates quoted by these Agencies are within the benchmark costs suggested for the empanelment process and hence these five Agencies are approved for installation of LED Solar Street Lighting / Flood Lighting Systems within the State of Kerala. The following are the Agencies qualified for Empanelment for installation of LED Solar Street Lighting / Flood Lighting Systems through ANERT and Local Self Govt. Institutions.

1. Ecomate Energy Solutions, Ernakulam
2. Ammini Solar Pvt. Ltd., Thiruvananthapuram
3. Usha Electronics Systems, Palakkad
4. M/s Merkury Electrical Corporation, Thrissur
5. M/s J.N Lightings Kerala, Thiruvalla

The validity period of the empanelment will be two years from the date of sanction. Validity of the list of Empanelment of Agencies published vide A O. No. 71/SLS/ANERT/2021 dt: 14.06.2021 vide Ref (5) read above is already expired. As per the circular of Local Self Govt. Department referred 6 above, guideline was issued for the implementation of solar projects through various Local Self Govt Institutions by inviting tenders from the Agencies empanelled by ANERT for the purpose. The list of empanelled agencies is enclosed as Annexure I, Technical specification for solar LED street lighting / flood lighting systems as Annexure II and List of components of solar LED street lighting / flood lighting systems as Annexure III. Any change in the make and model number of components approved for the work should be done with prior sanction from ANERT. This revised list of Empanelled Agencies may be followed by the Local Self Govt Institutions for their tender process for the installation of Solar LED Street Lighting Systems. The empanelment list will be updated from time to time.
