To,

The District Engineer ANERT District Office
_____ District.

Sir,

Sub:- Submission of documents for required for allocation of subsidy

Ref:- Application Number _____ allotted to me dated, _____.
and registration number allocated.....dated

Based on the allotment of application number, I have given work order to M/s. _____ which is an empanelled agency under "Solar Connect" Grid Connected Solar Rooftop Power Plant Programme of ANERT for the category, I intend to install. The installation will be completed within 60 days and completion report along with required documents will be submitted to ANERT district office for availing Central and State financial assistance.

Following Documents are enclosed

1. Copy of work order issued to the empanelled agency.
2. Copy of agreement executed between me and the empanelled agency.
3. Undertaking regarding responsibility as a beneficiary for availing central state financial assistance.
4. Pre-installation Photograph of the Site (2 Nos)- Place were module array is proposed to be installed.

- 5. Undertaking regarding tilt angle in the case deviation is proposed.
- 6. Copy of feasibility report received from Electrical utility (Electricity distribution company)

The agency has been selected as per my choice and I have executed an agreement with the agency regarding payment of beneficiary share, Warrantee and service conditions etc. All disputes in this regard will be settled between me and the_____ (Name and address of the agency).

I agree with the guidelines of the programme and I fully understand that the responsibility of maintaining the installed system at my premises is the combined responsibility of me and the agency installing the system. The Feasibility of site is verified by the agency selected by me and the site is feasible for installation of solar power plant proposed by me.

Based on the above, registration number for availing central and state financial assistance may be allotted to me.

Yours faithfully
Signature
