ANERT-RD/36/2022-T8

27-05-2023

NOTE

Sub: Rank list of proposals for Financial Assistance under SRI 2022-23

Ref: Guidelines of the programme "Supporting R&D and Innovation (SRI) - 2022-23".

On the basis of the evaluation process conducted by ANERT, a rank list of 10 proposals in the order of merit has been prepared as given in Annexure 1. The proposals for financial assistance will be finalised on the merit order from this rank list depending on the fund availability for the programme. Individual communications containing the exact budget that could be sanctioned for each of the project would be issued soon after obtaining necessary clarifications/the proposal revised as per recommendations of the TEC. Thereafter, a formal sanction order for the proposals finally selected for financial assistance will be released on receipt of an Undertaking expressing willingness to implement the project within the sanctioned budget so as to meet the given objectives and the pending documents, if any. The project will have to be completed in a time frame of 9 months from the date of this sanction order.

The inclusion of any proposal in the rank list is only provisional and they are liable to get rejected at any stage if they are found not meeting any of the requirements given in the Guidelines of the programme "Supporting R&D and Innovation (SRI)-2022-23".
